U.S. District Court
Western District of N.C.

MOTION FOR EXTENSION OF TIME

Comes now Garvey, Plaintiff in the above captioned action and states the following in support of this motion:

1. Garvey is 72 years old and no longer capable of dealing with the stress and anxiety of complex pro se doomed litigation;
2. The physical effect, of 6 years of legal abuse of the elderly have now rendered Garvey reliant upon adult diapers, insufficient sleep recovery and constant depression;
3. Garvey's advancing age is partially responsible as well as this Honorable Courts' selective enforcement of the previous state court actions and denial of FDCPA simple requirement of Validation and VERIFICATION – a straight forward statement under "Penalty of Perjury" that the debt in question is valid. Garvey has been wrong in ascertaining this simple mandate.
4. In light of the preceding and all applicable rules and regulations Garvey requests an

extension of time up to and including August 30, 2017 to prepare and submit the requisite response pleading.

A handwritten signature in black ink, appearing to read "M. J. Garvey", is written over a horizontal line.
